A Note from St Peter's Church

As I write, this morning was the first Sunday of 2019, and there was a sizeable congregation at St Peter's, which was lovely, despite the definitely chillier feel to the weather. It was also lovely to spot the first snowdrops starting to flower under the hedge which borders the church grounds. Once again, enormous thanks must go to our Parish Administrator, who has ensured that all our services up until Easter are covered by a small number of regular, visiting clergy, some of whom we now know quite well. Interregnums can, and usually do, last for many months, and so we are not expecting to hear about what may or may not happen at St Peter's, regarding a new clergy appointment, for some considerable time. Meanwhile, the week-to-week business and events continue as usual, which is exactly how it should be, thanks to a large group of willing volunteers and supporters.

Please note that one of those groups of volunteers ensures that St Peter's is still open every day during daylight hours, and whilst it may be a little dark in there through these winter months, as lights are not left on, a motion-sensor light is activated just inside the door as one enters, and one's eyes quickly get used to the gloaming. It is a peaceful and prayerful place, where anyone is welcome to come and sit quietly, or to explore some of the interesting aspects of the church's history, which dates back to 1256. Copies of 'St Peter's Church Guide' and of the booklet, 'Chailey Through the Ages' are available to purchase at a nominal price from the leaflet stand at the back of the church. There are also other free leaflets and publications on the stand which are worth taking a look at, ranging from what is going on in and around the Chichester Diocese, advice on keeping warm and safe at home and how to obtain help on a wide selection of themes.

One of the pieces of parish administration that needs to be addressed now is the renewal of St Peter's Electoral Roll, which must be completed before the beginning of April 2019. The Electoral Roll is the basic list in all Church of England parishes of everyone entitled to vote in elections within the Annual Parochial Church Meeting. Those entitled to have their names on the Roll have to be 16 years of age or more and they must reside in the parish, or be regular worshippers. The Roll is updated every year, but must be completely renewed every six years, at which point all members have to re-apply for membership or else their names will be deleted. This ensures that the continuing validity of the Roll is maintained. If you are eligible and would like to be on the new Roll, please complete a form which you will find in a box just inside the church, and return it as soon as you can. Friday March 1st will soon be here, probably before some of you receive the March issue of Chailey News, and so it is a date for your diary now. As mentioned in a previous article, this is the day we will take part in the 'World Day of Prayer', and it is the turn of St Peter's to host it on behalf of the Deanery this year. (It was previously known as the 'Women's World Day of Prayer', but has now been updated to include all genders, and everyone is welcome!) Even if you don't normally come to church, please feel free to come along to see what is happening, and to join in with what promises to be an interesting, celebratory and reflective time, as well as an opportunity to get to know other folk from around the area. The service will be based on the country of Slovenia this year; it will begin at 2.00pm, and is likely to finish around 4.00pm, with refreshments served afterwards.

Also, Lent begins very soon into the start of March, so the March issue of Chailey News will have details of our Lent Lunches, which will then be starting very soon, to be held once a week during Lent to raise awareness of, and hopefully some money for, our selected charity, 'Caring and Sharing, East Sussex'. These will be light soup-and-roll lunches in a friendly and convivial atmosphere, and again, the more the merrier, so please feel very welcome to come along.

With all good wishes from St Peter's,

Christine Peskett - Churchwarden

World Day Of Prayer

This annual event is being held for the Uckfield Deanery, at St Peter's Church, Chailey Green (BN8 4DA), on Friday 1st March at 2pm.

This will be followed by refreshments.

The country represented this year is Slovenia, where our attention will be drawn to the lives of those living in that country.

This is a lovely service of hymns, prayers and reflection, and everyone is invited to join us.

Toddlers Group

We now have a Toddlers group up and running at St Peter's Church. This is a free group which meets in the church on a Friday morning between 9.00am and 11.00am. Toys and activities for children. Free refreshments during the morning. Baby changing facilities. We welcome new Toddlers and their parents, grandparents or carers to this group. Contact the parish office (01825 722286) stpeterschurch12@hotmail.co.uk for more information.

Chailey Commons Society

The New Year started on a milder note this year and this was because of the High Pressure sitting over the UK and forming a blocking pattern to the westerly flow of weather fronts. February often has a colder period including snowfall and I am reminded that the full moon this month is called the Snow Moon occurring on Tuesday 19th but not clearly seen as it is at 15.53 in the afternoon.

If you have walked the local paths and commons, you may have noticed the abundance of the Hazel catkins. If you look closely at the hazel twigs, you can see the beautiful tiny deep red female hazel flower, which, if fertilized by the wind-blown pollen from the catkins, will become a delicious hazel nut later in the year. The fact that hazel has the male and female flowers (organs) on the same plant means that they are monoecious or hermaphrodite, meaning also that they can fertilize themselves or other individual plants (trees) of the same species.

Our Activities commenced in January with a talk by Joanna Walmisley from Wakehurst about a behind the scenes look at growing rare plants for reintroduction into the UK.

The programme continues with an Indoor Meeting in the Chailey Village Hall on Thursday February 14th at 7.30.p.m. when Penny Green, ecologist at Knepp Castle, has kindly agreed to come along and talk to us about the amazing rewilding project at the Knepp Castle Estate. This is a follow up to our outing there last year when we were shown around on one of their Safari trips. The date sounds familiar so why not come along together and enjoy the talk. Parking and refreshments and a warm welcome to family, friends and visitors.

William Coleman - 01444 831098

The next meeting will be held on Tuesday 5th February when Ros Black will give a talk entitled Scandal, Salvation and Suffrage. Our speaker is a local author and we look forward to a fascinating talk.

We got off to an excellent start in January with a really good attendance and a splendid speaker. Martin Barnard is a member of the Sussex Search and Rescue and we heard all about the organisation, which was founded in 2002 soon after the Sara Payne case showed that organised, trained searchers were a vital part of an investigation. All cases are at the request of the Police and there is an annual budget of £21,000 which covers the cost of two vehicles, one of which is equipped with the technical support necessary. We learnt how the volunteers receive their training and the different emergencies they face on a regular basis, sometimes working with the dog teams to help find missing persons.

We meet in the Village Hall on the first Tuesday of each month at 7.45 pm when prospective members and guests are always welcome, and a donation of £3 will include home-made refreshments.

Letter from Maria Caulfield

One of the biggest issues that is being raised with me at the moment is the increasing dangers on our rural roads. Traffic movements have increased greatly but so too has the use, by HGV's and commercial vehicles, of our rural roads as short cuts. This is making our roads increasingly dangerous for all road users.

As a result I have raised in Parliament the possibility of introducing compulsory commercial sat navs for all HGVs as a way of directing them to drive on A roads but also as a tool of enforcement to ensure height and width restrictions are complied with. Commercial satnavs are like normal car satnavs, but they include bridge heights, narrow roads, and roads unsuitable for trucks. In addition, they allow the driver to enter the lorry's dimensions - height, width, weight and load – so they are only guided along suitable roads. However, they are typically slightly more expensive than ones designed for cars. They can also be used as an enforcement tool as they record routes taken and can be examined for evidence if a complaint is made.

The proposed legislation that I am asking the Government to introduce would also enable fines to be served for those who flout weight restrictions. Lorries of a certain weight or width are banned from many minor roads but the police do not always have the resources to enforce the restrictions. The money collected from the fines could be used towards tackling the national pothole backlog, which could reach £14 billion in two years. It is common sense that all lorry drivers should use satnavs designed for trucks, but this is only going to become a reality when it is a mandatory requirement. We are talking about a very small extra cost to drivers. If it was successful it could be rolled out to all commercial vehicles to ensure the current laws are complied with.

Please do let me know your views and experiences on this so we can work towards making our local roads safer.

Newick and Chailey Hospice Support Group

The Newick and Chailey Hospice Support Group is looking for new committee members. The group raises money for St. Peter and St. James Hospice throughout the year by running and supporting various local events and raises around £10,000 to £12,000 a year.

There are about six meetings in a year held in the evening. This is obviously a very worthwhile enterprise and would anybody who feels they would like to help please contact me.

Our next event is a sponsored three course dinner at the Bull Inn Newick. It is on Wednesday 6th March. 7pm for 7.30pm with a glass of bubbles on arrival and a fund raising raffle.

£35 per head and for tickets please contact:-

Choir Treat.

The Choir boys were taken to Brighton and visited the Grand Theatre where they saw an afternoon performance of the Pantomime 'Babes in the Wood.' Although the matinee lasted for nearly three and a half hours they boys thoroughly enjoyed every moment of it. They also showed their appreciation of the good tea provided for them afterwards at Clark's in North Street. The party returned home by the last train the beautiful weather adding considerably to the enjoyment of the outing.

Note: The Grand Theatre Brighton was well known for its twice a day variety shows but sadly like so many others closed its doors for the last time in 1955. After a fire in 1961 it was demolished and the site is now occupied by an office building called Tower Point.

HELPING RESIDENTS IN SOUTH CHAILEY – DEVELOPMENT OF GRADWELL RETIREMENT VILLAGE

On January 4th I received an urgent email from a very helpful resident informing me of problems that he and his family, as well as others living in and around Mill Lane are experiencing. The construction of a new Retirement Village with access from Gradwell End is a huge project and it is imperative that the developer is sensitive to the impact it has on the local community.

Based on the information given - on the 5th January, I contacted the Lewes District Council Head of Planning - Planning Lawyer and Enforcement Officer. I also contacted an extremely senior Director of Retirement Villages Ltd who responded immediately to apologise and arranged for an urgent site meeting to deal with the problems. I now have the email of the manager that has been allocated the Gradwell Village site responsibility and he has agreed to work with me as your District Councillor representative and residents to ensure all planning conditions are strictly adhered to. Since then, residents have seen a great improvement as far as keeping the area clean and safe and I have visited the area a number of times to check.

With many thanks to the resident who contacted me, I was glad I was able to help in some small way. We will work together to ensure the developer keeps the standards we are looking for.

MORE SAY FOR MORE COUNCILLORS IN THE LEWES DISTRICT COUNCIL

For some years I have put forward the idea of more councillors having some worthwhile input in decision making. It has been a somewhat solitary quest. This is an extremely dry subject and, on the face of it, I understand how un-important it seems compared with making ends meet, paying bills, keeping a job and looking after our families.

The Local Government Act 2000 imposed the cabinet model on all councils (except in the smallest districts) forcing Councils to abolish the committee system. To cut the story short: a few Councillors decide most matters in the Cabinet system. I have proposed that Lewes District Council form a Working Group to look into options. There is flexibility of finding what best suits the need of the efficiency of the council and the people we represent. In my view, too few – make too many decisions. I respect others might prefer the current system.

Chailey Horticultural Society

Our schedule for 2019 is now available from me, the local shop and the Five Bells. I hope you will find something of interest and perhaps an entry!

On 26 February Shirley Carman-Martin is giving a flower arranging demonstration in The Reading Room at 6,00pm. All are welcome. Cheese and wine will be provided and there is no charge!

February can be a very frustrating month in the garden. The days are getting longer but in our modern climate it is often the coldest month of the year so the temptation to plant too early must be resisted.

It is a good month to ensure that all trays, pots and tools are clean and ready for use. Also clean the glass and plastic in the greenhouse and poly tunnel. I use a dilute solution of Jeyes fluid making sure to get into all the nooks and crannies. If they are empty I let off a smoke volcano to kill any residual infection.

Finish pruning apples and pears ensuring any old fruit with brown rot is removed and burned. Still time to plant soft fruit bushes and raspberry canes. Ensure all brassicas are protected from birds and slugs.

Autumn sown broad beans, garlic and onions can stand any cold weather we may get but over wintering peas will benefit from some protection.

Aubergines need a long growing season so it is worth trying an early sowing at the end of the month in a propagator perhaps with tomatoes, chillies and sweet peppers for greenhouse growing especially if there is extra heat.

Snowdrops will be out. They can be grown from seed though I have never seen this done. If you wish to move them do this as the foliage dies down.

Our Spring Show is on the 23rd March so get your schedule and think of what to enter!

Chailey School

Residents will know that, following a successful bid by East Sussex County Council, Chailey School has been selected to have a new building funded by the Department for Education.

The new building will transform the learning environment for all our students and staff and, as a bonus, enable us to provide more opportunities for the community to share our facilities.

Our architects have presented the project in a series of images and texts on the School's website: www.chaileyschool.org/new-building-plans. Go to the box marked Revised Plans to see the whole series.

We hope that you, the community, will support this project. Your School receives students

from nearly 40 different Primary schools and plays a vital role in the formal education of students in this wide area.

The School will continue to teach and learn during the project and a preliminary Application was made in January to create a temporary stacked block of classrooms in which we can continue our work. The formal Application will be made in the early Spring.

100 club winning number for December was 100 – Sophie Russell and winner of the January draw was number 5 - Peter Olbrich. Congratulations Sophie and thank you for your support.

Our thanks go to everyone who came to our Senior Citizens Christmas Party. It was great to see everyone and hope that you had a good time. Our thanks go to all those who helped with the preparation and running of this event.

Our next fundraising event is a Jumble Sale on Saturday 2nd March 11am at the Village Hall. Donations of jumble will be gratefully received from 16th February, so if you are having a post Christmas clear out please bear us in mind. Local collections of jumble can be arranged, please contact Diane 01273 401900. Alternatively, you can drop jumble donations to the village hall on Friday 1st March 7-8pm.

Preparations have also begun for our annual St Georges Fete which is on Saturday 20th April 12pm-4pm. If you would like to book a stall or car boot space please contact Clare 07985 112968 or email us at secretary@chaileybonfire.co.uk for more details. If you are interested in getting involved with our event or have/know of an attraction that we may be interested in, please contact us.

We are pleased to offer a mobile licensed bar facility for special occasions, parties etc. If you would like more information, please contact Diane on 01273 401900 or email secretary@chaileybonfire.co.uk.

You can follow all our exploits and find out more about our events on the Chailey Bonfire Society website <http://www.chaileybonfire.co.uk> or join our Facebook group – just search for “Chailey Bonfire Society”.

Chailey Litter Pickers

1053 bags so far!

Our January litter pick around South Chailey yielded over 23 black bags of litter plus additional items including car hub caps, car tyre, part of a car bumper, broken road signs and barriers. There seems to be no let-up in the litter being discarded in our parish and so we need all the help we can get to keep on top of this problem, which spoils the natural beauty of the Sussex countryside and turns the parish we call home into a litter bin.

On a recent visit to Horsham we heard about the Love Horsham scheme which involves doing random acts of kindness and generosity in the area in which you live. These acts could be anything from helping a neighbour with their garden, paying for a strangers cup of coffee or offering a service for free. The idea of many of the acts is to make them anonymous; giving the blessing but not expecting a reward. Eastbourne does a similar

pay-it-forward scheme, promoting love and community in the town. I think Chailey could join in. Why not leave a surprise gift on a neighbour's doorstep, or look for ways to offer help to someone in need, or litter pick your street. Let's get imaginative and think of ways to give and help each other over the next month. #lovechailey

Next Group litter pick: Saturday 9th February meeting at 10am at Chailey Green. All Welcome. Bring gloves and grabber if you have them. Some equipment available on the day.

Chailey Repair Café gets off to a flying start in 2019!

Chailey Repair Café opened its doors on Saturday 12th January and celebrated the New Year by hitting the ground running! They had 25 of their 32 volunteers attending and more than 80 visitors, who brought 64 items to be repaired, including a unique hand-painted ceramic plate which had ended up in 3 pieces, a wooden owl, several blocked up vacuum cleaners, a magnificent cuckoo clock, 2 typewriters (remember those?!), numerous clothing repairs, several radios and much more!

Founder and coordinator Bryan McAlley said "the recent publicity on BBC TV and national media about the emergence for Repair Cafes has helped us go from strength to strength and we are now attracting visitors from all parts of East and West Sussex and Kent". Bryan added "within 5 minutes of opening at 10am on 12th January, the hall was full and we were still fixing stuff right up to 1pm when we closed our doors."

Cyclists - don't forget that the Repair Café offers an excellent cycle repair service, so dust off those bikes and get them to the Café to be given the once over before you start thinking about getting back on the road this Spring! And remember that the skilled volunteers at the Cafe will also show cyclists of all ages how to look after and maintain their machines!!

Chailey Repair Café is part of a world-wide movement where volunteer experts repair things free of charge – although a donation towards running costs is invited. Anyone can bring along broken items or clothing needing repair from home, and have a cuppa and some cake while they wait!

Chailey Repair Café next opens at Chailey Parish Hall 10am – 1pm on Saturday 9th February and then on the second Saturday of each month.

Want to know more? Contact them at chaileycrc@gmail.com or find them on Facebook.

Lewes District Citizens Advice

Lewes District Citizens Advice expects 31st January to be the year's busiest day for debt advice.

Here are our six top tips to sort out your debts.

- 1. Work out how much you owe** - Make a list of who you owe money to and add up how much you need to pay each month.
- 2. Prioritise your debts** - Your rent or mortgage, energy and council tax are called priority debts and these should always be paid first. Separate these and work out how much you owe.
- 3. Work out how much you can pay** - Add up your essential living costs, such as food and housing and taking away these from your income. Any money you have spare can be put towards your debts. Citizens Advice budgeting tool can help.
- 4. Paying urgent debts** - You may have several priority debts and can't pay them all. Contact all your creditors to find out if you negotiate. Always pay priority creditors who are taking action against you.
- 5. Paying non-urgent debts** - If you have any money left after paying priority debts, consider getting a free debt-management plan. You'll make one monthly payment to the plan provider, who will handle paying your creditors. Or contact your creditors and offer them what you can afford to pay.
- 6. If you can't pay your debts** - If you've got little or no money spare to pay your priority debts seek advice from us straight away.

For information and advice, call us on *03444 111444*, visit one of our offices in Newhaven, Lewes or Seaford or check out our website www.lewesdistrictcab.org.uk for further details.

Uckfield, Lewes & Newick Art Society

**February 13th 2019: Eric Ravilious and the Lure of the Everyday:
Jo Walton 2.30 The Civic Centre Uckfield**

Ravilious can be described as one of our greatest water colour painters. His style and choice of subjects are deceptively simple but capture entirely the spirit of his age. Tragically he was killed in 1942 aged only 39.

Jo Walton, the lecturer, will also include other artists who worked alongside Ravilious. The talents of this group, which included such as Paul and John Nash, Peggy Angus and Tizarah Garwood, are often underestimated but their influence can still be felt to this day.

Jo Walton at the age of 5 wanted to be an archaeologist but the mud and cold put her off and happily for us she chose instead to study Art History! She has worked at Christie's, at the Tate and Tate Modern, and apart from the Art Society, has lectured on many P & O Cruises. This lecture will be accompanied by her very fine digital presentation.

The cost is £7 on the door for non-members. If you need any further information please contact our membership Secretary Ann McNorvell newickdfas2017@gmail.com
