

Lewes District Police

Community Updates

Hello, my name is PCSO Nick Cox, I am based at Lewes Police station and I will be the point of contact for a selection of rural villages which include, Ditchling, Wivelsfield, Westmeston & Streat, Chailey, East Chiltington, Plumpton & St John.

As a Police Community Support Officer (PCSO) I will deal with all sorts of incidents, from dealing with anti-social behaviour and taking statements from victims of crime, to providing reassurance and helping resolve community challenges.

PCSOs play a critical and visible role in helping keep our communities safe, identifying and protecting the most vulnerable, and preventing harm.

While PCSOs do not have powers of arrest, they do have powers covering a wide range of situations including issuing fixed penalty notices, requiring contact details, seizing drugs and providing crime prevention advice.

We will soon have a new rural engagement van up and running. We are currently looking for accessible locations within the villages where people can come meet us and for us to provide a greater presence within the rural and hard to reach areas of our district. We will advertise the dates / times and locations once they have been confirmed.
